

REMARKS/ARGUMENTS

The specification has been amended to include the cross-reference to the original provisional application filed in the United States Patent and Trademark Office. As originally filed, claims 6-12 did not comply with the multiple dependent claim style specified by U.S. law. The amendments submitted above have been made to delete all multiple dependencies. No new matter has been added by way of these amendments.

It is respectfully requested that the above amendments be entered before an action on the merits is issued.

Respectfully submitted,
